Colorado is 4-0 for the 31st time in its history, but for the first time since 1998 ... CU is now **3-5** in Pac-12 openers, but won for the first time in Boulder (**1-4**) ... CU improved to **23-28-1** when wearing all black uniforms, just the second win in the last 16 games in the look ... UCLA still leads the series by a **10-4** count (4-3 in Boulder, 6-2 as members of the Pac-12) ... The **38** points and the **22-point** win were both the most/largest by CU against UCLA ... This marked the first game at **Folsom Field** where the end zones were painted (496 games all-time) ... Almost in half: the temperature at kickoff for New Hampshire on Sept. 15 was **90**

degrees; tonight, it was **46** ... Colorado had two 80-plus yard TD drives in the first half, bringing the total to five on the year, and its five TD drives in all added to **370** yards ... The **23** combined possessions (10 in the first half) were both season lows in a CU game ... Colorado has scored in **15** of **16** quarters this season, including **12** in a row ... CU is now **16-0** under MacIntyre when holding the opponent to 17 points or less ... The Buffs were held scoreless in both drives in the opening halves after going **3-for-3** in both to start the season ... This is just the second season in CU history the Buffs have scored **30** or more points in each of the first four games of the season ... the other? In 1896 when Grover Cleveland was president ... **PK James Stefanou** is now **55-of-55** for his career in PAT kicks ... **OLB Drew Lewis** had the first multi-sack (2) game of his career.

Scoring Run. Colorado has scored 30-plus points in all four games this season, the most since a five-game run in 2002. The Buffs have now scored **161** points, or 40.3 per.

100/100. Colorado is now **35-10** all-time with a 100-yard rusher and a 100-yard receiver (2-0 this season), with a third of those (15) since CU joined the Pac-12.

Defensive Bests. UCLA's **289** yards were the fewest allowing in eight Pac-12 Conference openers by the Buffaloes (previous low was 414 by Washington last year). The **138** passing yards were the low in a Pac-12 lid-lifter as well as the second fewest yards by UCLA in the 14 game series (85 in the first game in 1980, but it only threw 10 passes).

MacIntyre & Turnovers. CU, now **29-38** under Mike MacIntyre, is in his sixth year (the first of seven CU coaches to open 4-0 in year six), had its 15th turnover-free game under him (10-5 in those games); that 22.4 percent rate is the best in CU history (next: 15.0 under Bill McCartney). CU is now 54-24-4 in 82 games without a turnover since World War II.
