

Conference History

On July 27, 2023, the University of Colorado announced it will rejoin the Big 12 Conference starting with the 2024-25 season, a league it departed just 12 years prior after the 2010-11 season.

The Buffaloes have technically been a part of seven different conferences, most recently the Pac-12 Conference, which they joined in 2011-12 and will continue through the 2023-24 seasons.

There were no organized leagues in the Rocky Mountain region when CU started playing football in 1890. In 1893, Colorado was a charter member of the Colorado Intercollegiate Athletic Association (CIAA; also known as the Colorado Football Association), joined by Denver, Colorado College, Colorado Mines and Colorado A&M (Later Colorado State). CU remained a member through 1908 (except 1905, when it withdrew from the state conference prior to the season).

In 1909, a new alignment called the Colorado Faculty Athletic Conference came into existence, with CU, CC, A&M and Mines the charter members. One year later in 1910, the name was changed to the Rocky Mountain Faculty Athletic Conference, as the league expanded geographically to include Utah and Denver, and later, Utah State (1914), Montana State (1917), Brigham Young (1918), Wyoming (1921), and Colorado Teachers College (now Northern Colorado) and Western State (1924). This new league, built on a foundation of faculty control, lasted through the 1936-37 school year.

On Dec. 4, 1937, after a serious gap that had developed between the elite of the RMAC and the smaller schools, seven schools split to form the Mountain States Conference. This new league consisted of CU, DU, A&M, Wyoming, Utah, Utah State and BYU. The remaining five schools continued on as the RMAC, which today remains one of the oldest conferences in the nation.

A decade later, CU athletics would change forever, as the Buffaloes were accepted into

the Missouri Valley Intercollegiate Athletic Association (also known as the Big Six) on Dec. 1, 1947. Colorado started competition in this league in the 1948-49 school year, thus changing the group's name to the Big Seven. Other schools in the league were Iowa State, Kansas, Kansas State, Missouri, Nebraska and Oklahoma. When Oklahoma State rejoined the group after a three decade absence in 1958, the conference became known as the Big Eight.

On Feb. 25, 1994, the Big Eight announced expansion plans to include Baylor, Texas, Texas A&M and Texas Tech from the Southwest Conference, a league plagued with NCAA violations and probation over the previous decade; the merger of the four gave those schools a new start in the new Big 12. Later that year, Colorado was invited to join the Pacific-10 Conference, but because the Buffaloes had played a major role in helping form the Big 12, CU's Board of Regents voted 6-3 to remain in the Big 12, which assumed operations on July 1, 1996.

Then on June 11, 2010, Colorado was the first of several "dominoes" to fall nationally in conference realignment. The Buffaloes accepted an invitation to join the Pac-10, along with Utah to form the Pac-12 Conference on July 1, 2011. CU and Utah, old rivals from the first half of the 20th Century, joined Arizona, Arizona State, California, Oregon, Oregon State, USC, Stanford, UCLA, Washington and Washington State.

Spurred by a want for more stability in the ever-changing college athletics world, the Buffs decided to rejoin the Big 12 on July 27, 2023, for the 2024-25 school year. CU will join old rivals Baylor, Iowa State, Kansas, Kansas State, Oklahoma State and Texas Tech from its previous stint in the Big 12, and the league now also features Brigham Young, Central Florida, Cincinnati, Houston, TCU and West Virginia. The Buffs and BYU will be conference partners again for the first time since the Buffs left for the Big Seven in 1948-49, having been in the same league as the Cougars from roughly 1918 to 1947, although in that time frame the two teams met just 10 times on the gridiron.

COLORADO'S 26 CONFERENCE CHAMPIONSHIPS
